New York shows Houellebecq's art

The French scandal author Michel Houellebecq (photo) has presented a selection of his works of art in the USA for the first time . Dozens of photos and photomontages can be seen in the Venus gallery on the Upper East Side in New York . The pictures show scenes and montages mainly recorded in Western Europe. The "French Bashing" titled show runs until 4 August. At the opening, Houellebecq gave word-wise autograms.
